

# VanTerra

Our updated VanTerra enhances everything you love about our previous models with the technology and innovation of modern-day construction. The Turtle Top VanTerra is constructed on the Ford E-350 cutaway power train with either single or dual rear wheels. Your choice of floor-length gives flexibility for a variety of para-transit and luxury options.

This model incorporates a true five-sided structure that sets the standard in industry safety. The aerodynamic exterior and comfortable interior are enhanced by an enormous passenger front-view window and sophisticated lighting packages. The VanTerra truly remains at the head of its class.
